ACROSS THE GREAT DIVIDE

(Kate Wolf) Another Sundown Publishing Co. – BMI

(guitar tuning – EADGBE, Capo I)

C       F       C
I’ve been walkin’ in my sleep
Am               F
Countin’ troubles ‘stead of countin’ sheep
C       Am
Where the years went, I can’t say
F                  G                          A
I just turned around and they’ve gone away

I’ve been siftin’ through the layers
Of dusty books and faded papers
They tell a story I used to know
One that happened so long ago.

Chorus:

C       F       C
It’s gone away, in yesterday
Am               F
And I find myself on the mountainside
C       Am       Em
Where the rivers change direction
F                  G                          C
Across The Great Divide

I thought I heard the owl a-callin’
Softly as the night was fallin’
With a question, and I replied
That she’s gone across the borderline

Chorus (with “she’s gone away...”)

(Instrumental break)

The finest hour I have seen
Is the one that comes between
The edge of night and the break of day
When the darkness rolls away
(Chorus)

(Repeat last two lines of chorus)
